

KUURA Interior panel

Experience the raw beauty of nature with KUURA panels. The rough surface, adorned with black knots and cracks that reveal the tree's story, brings a touch of untamed elegance to any space. Choose KUURA panels to honor and showcase the natural allure of wood in your decor.

KUURA Interior panel

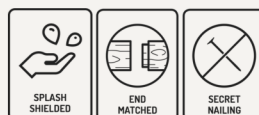

The KUURA panels should meet the following criteria:

- Knots can be a maximum of 50% of the width of the panel.
- The panel can have a 30 mm reaction on the edge in a two-meter distance, a 4 mm reaction on the side in a two-meter distance, and a 20 mm twisting in a two-meter distance.
- Resin pockets and heart lines are allowed. Wood reactions are permitted as long as they do not hinder the fastening of the panels.
- The installing waste 5-10 percent.

White

Pearly Gray
