

RAILO Interior panel

The RAILO panels come in two stylish colors, perfect for creating different atmospheres in interior spaces. The translucent gray tones create a soft, calm mood, while the opaque white brings a sense of airiness.

RAILO Interior panel

The RAILO panel's concealed fixing hides the nail head and creates a uniform surface. The panels are also end-matched, reducing material loss and enabling flexible installation. These panels are perfect for decorating wet rooms with air conditioning. It is important to paint cut surfaces to prevent panels from cracking. The installing waste 5-10 percent.

Pure white
