

## DECLARATION OF PERFORMANCE

The undersigned, representing  
Siparila Oy (Varaslahdentie 1, 40800 Vaajakoski, Finland)  
hereby declares that the

### SOLID WOOD THERMALLY MODIFIED SPRUCE BATTEN WITHOUT SURFACE COATING

is in conformity with the provisions of the EC Regulation No 305/2011 Construction Product  
Regulation system of assessment and verification of constancy of performance:

System 4

and is in accordance with the requirements of

EN 14915:2013

| CHARACTERISTIC   | PERFORMANCE DECLARATION         |
|--|---------------------------------|
| Species  | Spruce (Picea abies)            |
| Intended use   | For exterior use                |
| Density and range of thickness                           | >360 kg/m <sup>3</sup> , >17 mm |
| Reaction to fire   | NPD                             |
| Emission of formaldehyde                                 | E1                              |
| Content of Pentachlorophenol                             | NPD                             |
| Release of other dangerous substances                    | NPD                             |
| Water vapor permeability                                 | NPD                             |
| Thermal resistance                                       | 0,11 W/(m K)                    |
| Sound absorption   | NPD                             |
| Biological durability (accordinh to CEN/TS 15083-1:2005) | Class 1                         |
